.RAGNAROK
CHAPTER 1
READY, SET, AND START
Ready to DIE, you little bug!
My name is Min and this is my first day as an adventurer in Rune Midgard. I'm just starting off so right now I'm a "Novice" job class. (In Ragnarok Online, everyone starts off as a Novice in the game)
What the hell are you looking at?!
GARA AHH!!!
That's my good old friend, Hokaru. He's also an adventurer and he teamed up with me!
POW
MIN!!! Are you just gonna sit there or are you gonna help me out?!
We don't have a goal yet but we're working on it.
AW CRAP!!!
Right now we're just gonna train and get a little stronger just for a little while...
That does it! I'm pissed! I'll take you all on!!!
RRAAAAAAHHHHHHH
WTF?.... a mob....
Hey, Hokaru! I'm done resting on the tree. Now lets start training... What the hell happened to you?!
And so our story begins
When I get up, I'm gonna KICK YOUR ASS!

©2004 Minh Nguyen

Sorry about not helping you earlier. I was kinda taking a nap. Anyway let's go kill something.
Okay but you better help me on the next monsters!
As long as there are no mobs, I don't care!
Wonder what kind of monster we should fight around here...
What the heck? Something is on me...
What do you mean?
AW CRAP! There's a Poring monster trying to eat my freakin' weapon!
...
HEY! Don't run away with it! Come back here!
DASH
Min! You gotta help me jump that monster and get my weapon back! Gimme any spare weapon you have!
A twig
WHAT THE HECK YOU WANT ME TO DO WITH THAT?! Poke it to death?!
I was only kidding!

ALMOST GOT YOU, YOU DUMB WEAPON STEALING PORING!
This is a Poring
Heh Heh!
TWACK
Dumb Hokaru! Can't even catch this Poring even if it was blind folded! Watch how the master do it!
HERE I GO! DIE, PORING!
What the? I missed?!
MISS
Dumb moron, can't even hit a freakin' Poring!
Hey! It was faster than I thought, Okay!
AFTER THAT PORING!!!
DEAD END
We gotcha!
Alright! We got it cornered and it has no where to run!
Hey, you stupid Poring! If you just spit out my Knife, we won't have to kill you!
SLURRRP
GULP
BUURRRP!!!
NNOOOOOO!!!
Oh well...
Stealing son of a b-...Min, let's pop this thing open and get my weapon out of him!
Okay! Okay! We'll kill it, But you gonna have to calm down first!
HEY, YOU TWO! STOP RIGHT THERE!

If you two hurt that Poring, I will report you and have you both arrested!
Arrested?! That Poring is just a monster! And it stole my weapon! It deserve to die!
Maybe so, but do you know how important that Poring is to Prontera City?
That Poring is the Official Mascot!
Mascot?! This thing is a Mascot? Who the heck are you anyway?
I happen to be the mascot's watcher! Just in case someone tried to kill it, I have to jump in and stop them.
If I knew about this before I would believe you but you have no proof!
Yeah! Where's your proof that this Poring is a mascot?
If you wanna see proof just look at the Poring's medal it's wearing and read it!
Medal?
OFFICIAL MASCOT OF THE CITY OF PRONTERA (DO NOT KILL)
Damn that Poring!!!
WWOOOSH...
Hey! Don't look so down! How 'bout you buy a new weapon! I got a Knife on sale for only 100 zeny!
If you don't want it, how 'bout some potions? It's only 45 zeny each!
C'mon guys! It's cheap!
We're broke...

Why is this Poring following us? It got what it wanted and now what does it want? Why don't it just leave us alone!
Maybe if we wait long enough, someone else will kill it for us.
C'mon dude! Let's kill this Poring now before-
We can't! Even if we want to that Merchant girl is watching us... we'll get caught!
Hey! Isn't that an Archer Job Class?
Yeah...betcha she won't have any problems with a Poring messing with her.
Why won't this Poring mess with her for a change.
You know, that's not a bad idea!
Hey Poring! Go Play with someone else like that...
Huh? Where'd he go?
Look in front of you.
At least the Poring not gonna bother us anymore. (Feel sorry for that girl though)
Wonder what's he gonna do to her...
SMACK
OH!
HEY, YOU PERVERT! WHO DID THAT?!
Is that Poring pointing at us?! He can't do that!
No way she'll believe it. We're sittin' by the tree and we can't reach her butt!
Umm...What is she doing?
YOU PERVERTS!!!
GET 'EM!!!
CRAP! SHE'S AIMING DIRECTLY AT US!!!
But we didn't...
MIN! WE GOTTA RUN! C'MON!
Oh shi-
Kuchik
GRAB
Kuchik
Kuchik

I HATE THIS PORING!!!
When will it go away!!!!
Could you stop yelling...I'm getting a headache...
Because of this Poring we almost got killed by that crazy Archer girl! If we could just kill it, I would-
sneaking
SWOOSH
STEAL !!
SWOOF
Huh?
I believe this belongs to you, am i right?
My...my knife! How did you...I mean ...uhh... HOW DID YOU DO THAT?! Who and what the heck are you?
I'm just a wanderin' Thief. As a thief I am able to steal certain items from monsters. Anyway I've been watching you guys. Why haven't you killed this poring on your own?
Well you see, we can't because it's an official mascot of Prontera City. If we kill it we'll get arrested and...
Mascot? There are no such thing as a Prontera Mascot!
What? But that merchant girl said-
If you're talking about that flower head girl, she lied. I remember seeing this same Poring making a deal with her by paying her 10,000 zeny a few days ago. She agreed with the deal and she helped this Poring with the lie.
She's also the one who made the medal
So you're saying this was all a scam just for this poring to loot everyone and get away with it without a scratch on him...
SO THAT'S HOW IT IS, EH? HEHEHEHEHE!!
How did the Poring get his hands on 10,000 zeny?
uh...I can't really answer that
SHIVER
SHIVER
IT'S KILLING TIME!!! KYAHAHAHA!!!
Hey, Hokaru! Wait! Save some killing for me!
Newbies...

Another Day in Rune Midgard...

OMG! It's the Poring! And it's DEAD!!!

?

What's this? A picture of a stick?

Well kind of..I found it at the information center

You mean the Library?

Yeah! That's it!

Well...what the heck is it?

It's called a Dead Branch(DB). It can be found on Elder Willow monsters. Anyway this thing has the power to randomly summon any monsters, even high level monsters. Many people fear this item.

If we had this item, we can torture anyone! Even take over the world!

Bad part is the monsters you summon back to life usually attacks people. Even yourself.

Then what's the point on giving me this crappy info!?

HELP

KILL! KILL! KILL!

Bunch of Novice

Hey, Min! I just had a funny idea!

It's another Bunny! KILL IT!

Yes Boss!

Why are we doing this?

Just for fun! It's not like we're gonna hurt them and I need a good laugh!

What are you doing with that camcorder?

Wetting Pants

30 minutes later...o.O

Still wetting pants

What are you 3 Novice doing?

ALRIGHT! WHAT LUCK! It's a Knight here to help us! Umm...Sir, will you please help us kill this DB monster thats about to come out from this Dead Branch?

A Dead Branch?

That's a regular twig.

Whoohoo! I got my video! I'm gonna be rich!

Hokaru! Stay down or someone might see us!

Ohhh...

©2004 Minh Nguyen

Hey look, Min! I found another Branch!
Aren't you tired of doing the same joke over and over on those guys?
You did it like 56 times
umm...that's not a DB
LOOK! It moved! The branch moved!
Be on guard, guys!
They're so dumb I can't help myself!
Yeah, they are dumb and slow but...
Can't you give 'em a break?
No!
Hey Hokaru! Doesn't that branch look different than the rest?
What? You dork! This branch looks like all the other ones! I can't believe you examine every branch I threw! Anyway time to throw!
OH NO! LOOK! ANOTHER DEAD BRANCH!
Another one? Who the heck keep throwing them?
Hey guys! Why not forget this DB stuff and go hunt something else. Like a Poring! What the?
The branch... it broked?
This never happened before.
FFWOOOOOSSHHH
WTF?!
Whoa!
W-w-what the heck is that?!
How'd that thing came out?!

Bad for low level peoples to fight. Especially Novice job class.
Hey you 3! Don't just stand there! Get away from it! RUN!

I think so but I'm too scared to move...

WHOOHOO! I defeated the monster! Nobody is as strong as me!
Uhh...don't forget I just helped you.
No you didn't! All you did was cry and hid behind the bush! I did this all on my own!
Why didn't I just leave him when I had the chance so he can die!
What's that shiney thing on the ground?
What shiney thing?
It's a Diamond!!! That monster must've dropped this!

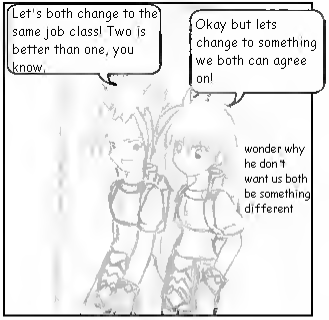
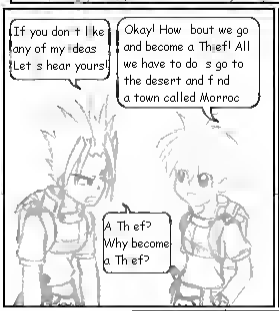
Min, you think it's time to change our job class to the next level? I think we're strong enough!
Next job class?
Well yeah! We can't stay a Novice forever! We'll be too weak!



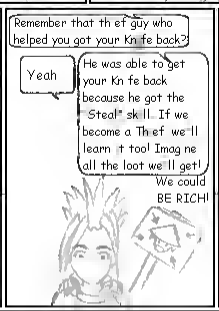
Let's both change to the same job class! Two is better than one, you know.
Okay but lets change to something we both can agree on!
wonder why he don't want us both be something different

How 'bout we'll become Swordsman! We'll be able to use swords and we can be protectors!
Sounds cool! Got anything else?
or corrupted protectors

Thank you for healing us!
Please be our boyfriend!
He's SO CUTE!!!
Hehheh
OH YEAH! We could try to become Acolytes! We can heal some helpless girls and they'll be all over us! We could be chick magnets or pimps! CHICKS DIG ACO!
Uhh...sounds great but I don't think we'll become chick magnets. Anything else?



If you don't like any of my ideas Let's hear yours!
Okay! How 'bout we go and become a Thief! All we have to do is go to the desert and find a town called Morroc
A Thief? Why become a Thief?



Remember that thief guy who helped you get your Knife back?
Yeah
He was able to get your Knife back because he got the "Steal" skill. If we become a Thief we'll learn it too! Imagine all the loot we'll get!
We could BE RICH!

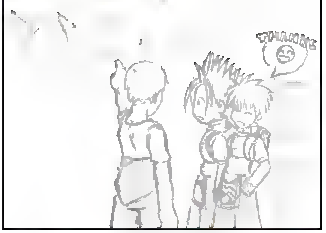
So hot....We're out of water...We're out of food...We've been walking for hours! Crap, my leg hurts
.RAGNAROK
CHAPTER 2
ROAD TO A THIEF
Why didn't you told me we have to go through the desert to get to Morroc...
I did told you like 5 times, back in Prontera City, Remember?
OH MAN! I don't think we're gonna survive out here with nothing to eat or drink. Maybe we should go back!
Aw c'mon! Get up! Morroc might be really close by now! Maybe just a few more miles!
Uuh..huh?
What the heck is that?
WHOA! Am I dreaming?!
TA - DAH
Hokaru, what are you looking at?
I SEE THEM! Three Hot Girls with Tropical Drinks!!!
HERE I COME LADIES!!!
Wait, Hokaru! I don't think...
Eya...He saw a Mirage of girls with his imagination. Better Find Morroc or he'll get even worst!
HUG
Well what do you know! There it is!
Hey Idiot! I found Morroc and it's right over there! Quit fooling around with that Muka monster and let's go!
I just wanna make love to you! Why are you hurting me?
Let go of me!

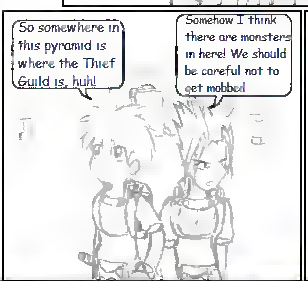
©2004 Minh Nguyen

http://www.freewebs.com/dotRagnarok

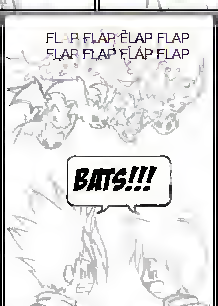
When we arrived in Morroc we quickly went around asking directions to where the Thief Guild is located and in it me and Hokaru will both become a Thief

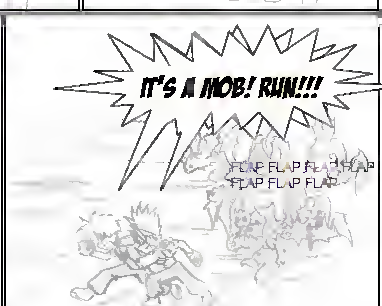


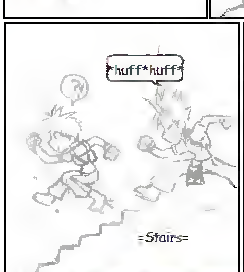
The information we gained brought us to Morroc Ruins, where the Thief Guild should be found. Inside this Pyramid is where our new strength is waiting for us!

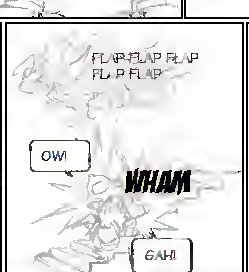


So somewhere in this pyramid is where the Thief Guild is, huh!
Somehow I think there are monsters in here! We should be careful not to get mobbed

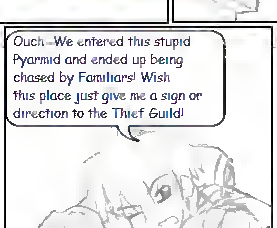






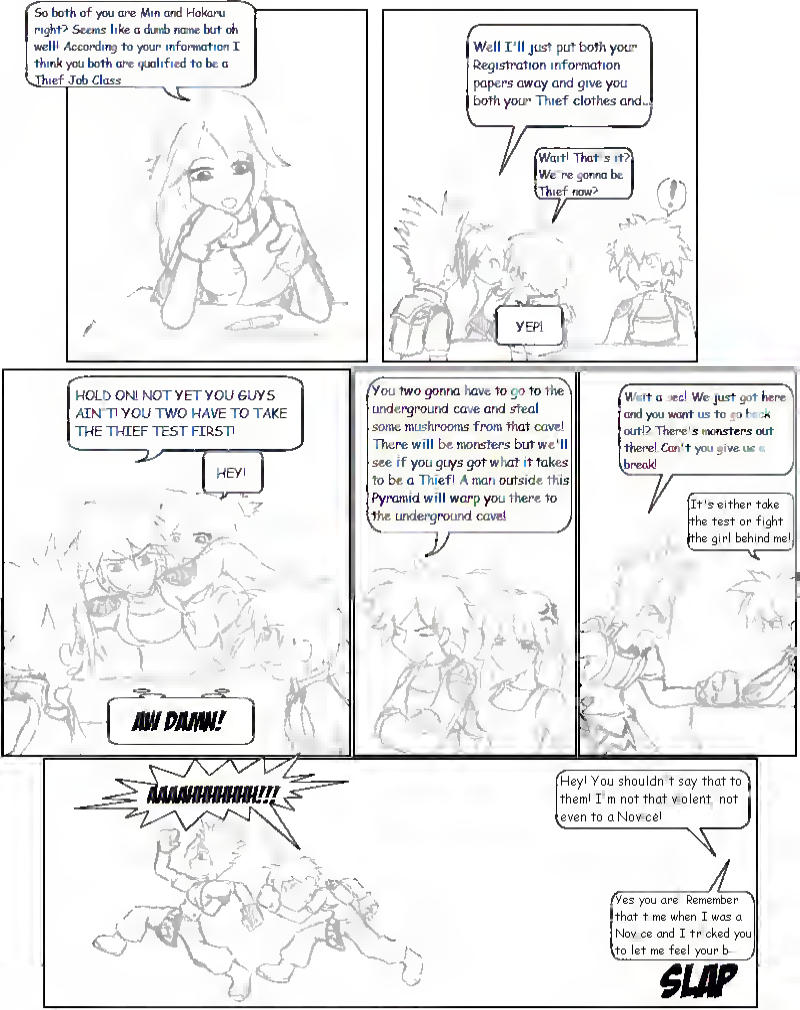


Ouch...We entered this stupid Pyarmid and ended up being chased by Familiars! Wish this place just give me a sign or direction to the Thief Guild!



©2004 Minh Nguyen

http://www.dotRagnarok.tk



So both of you are Min and Hakaru right? Seems like a dumb name but oh well! According to your information I think you both are qualified to be a Thief Job Class
Well I'll just put both your Registration information papers away and give you both your Thief clothes and...
Wait! That's it? We're gonna be Thief now?
YEP!
HOLD ON! NOT YET YOU GUYS AIN'T! YOU TWO HAVE TO TAKE THE THIEF TEST FIRST!
HEY!
AW DAMN!
You two gonna have to go to the underground cave and steal some mushrooms from that cave! There will be monsters but we'll see if you guys got what it takes to be a Thief! A man outside this Pyramid will warp you there to the underground cave!
Wait a sec! We just got here and you want us to go back out!? There's monsters out there! Can't you give us a break!
It's either take the test or fight the girl behind me!
AAAAAAAAAAAAA!!!
Hey! You shouldn't say that to them! I'm not that violent, not even to a Novice!
Yes you are. Remember that time when I was a Novice and I tricked you to let me feel your b-
SLAP

©2004 Minh Nguyen

http://www.freewebs.com/dotRagnarok

After Hokaru and I got out of the Pyramid, we found the man who was gonna warp us to the underground cave which the Thief Guild told us to go to for the Thief test.
We were quickly warped to the underground cave and we went on with the test. Our mission is to collect mushrooms from the cave.
There it is!
The mushrooms!
Look how many there are! You think this will be enough?
Well we was only told to steal them. They never said how many.
Sad part is, it's being guarded by those Spore monsters! you think it's their babies?
Don't be stupid! Anyway...how are we gonna get 'em?
Hey look! Someone is coming! I think it's a girl...a novice maybe...
She's doing the test also?
Uh oh! The Spores see her and they're gonna attack!
C'mon Min! We have to help her!
STRIP
Forget saving her. She's the mother of my children! Look at those big round...
Nosebleed
Wow...she's naked...
Hey! No fair! The spores are just giving the mushrooms to her!
What I'm really surprise about is how fast she took off her clothes!
Hmm... So the spores will give mushrooms to someone naked with a nice body... I got an idea!
What are you talking about?
AND WHAT THE HECK ARE YOU DOING?!
I'm gonna attract the Spores with my naked body!
They ain't gonna be attracted by you! They'll end up throwing up on you!
Hmm... You're right!
Then I'll take my underpants off!
PUT YOUR CLOTHES BACK ON!

©2004 Minh Nguyen

http://www.dotRagnarok.tk

Wow! Look how many mushrooms we got now! I think this should be enough!
And we got it all thanks to my beautiful manly naked body!
Actually, all your body did was blind these Spores to death, which is good because they can't defend themselves without seeing... (I kinda feel sorry for them)
MY EYES!
O GOD I'M BLIND!!!
SOMEONE KILL ME!!!
WAIT! My body can't be that terrible to watch can it? I mean, I'm better built than you are!
Can we talk about something else or go to the Thief's Guild!
HEY YOU TWO!!!
Huh?
Over here! Behind you!
Uhh.. Who the heck are you guys?
Heh.. My name is Sejil!
And I'm Dantol
You have a nice collection of mushrooms there...
Oh, thanks! umm.. hi! My name is Min and
Give us the mushrooms!
what?
Geh heh heh.. We need the mushrooms in order for us to pass the Thief's Test.. We wanna become Thieves and learn their skills!
Yeah! Once we're thieves we can do whatever we want and take whatever we want! But first we need those mushrooms!
Umm.. Hey these mushrooms are ours! Go get your own!
Fine then, we'll just take it from you!
Uh oh
GIVE THEM TO US OR DIE!!!
Whoa! These guys are serious about this!
Hey! If you want them that badly, you better fight me for it!

I wonder which girl will be the 2nd lucky one to get thier panty stolen!
Is that all you can think about when we become Thief...
Want a sec! How can the next girl be the lucky 2nd when you never successfully got the first?
As you can see, a week have passed and me and Hokaru have finally became Thieves
Yes I have and here's my proof!
WHA?! WHERE THE HECK DID YOU GET THAT?!

Anyway here's a bag of money! It's a total of 5 000 zeny!
5 000 zeny? Why are you giving this to me?
I'm leaving you in charge of buying our supplies for our next trip! We're going to Payon Town and go to this cave I heard so much about. It's filled with strange monsters and I want us to check it out!

Well it was a bunch of guys with big swords and stuff. I was out numbered and they just took it from me and ran off! I didn't get a chance to see what they look like!
Hmm...well since it was only a bunch of gangs mobbing you I guess I can't blame you. At least you didn't get robbed by this Thief girl back in Morroc. Lots of people have been complaining about her but they don't know what she looks like!
Umm...Anyway, where are we?
I think this place is called the Poring Field or something. Kind of like a Poring Paradise! We have to get through here to reach to Payon Town!
Hey Min! Check out that weird Poring over there!
What kind of poring is that?
I don't know but its different than the others...

I know what you did to me was wrong but I also know that you are not really a bad person... Even a person like you don't deserve to die like that.
Anyway I didn't come here to save you. I came here to get my money back from you but now that I'm worn out, you can just pound me and run off again! I need to rest so I'll just catch you some other time. I might not even be able to find you again...well see ya!
WAIT!

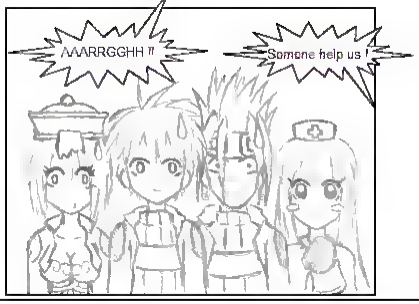
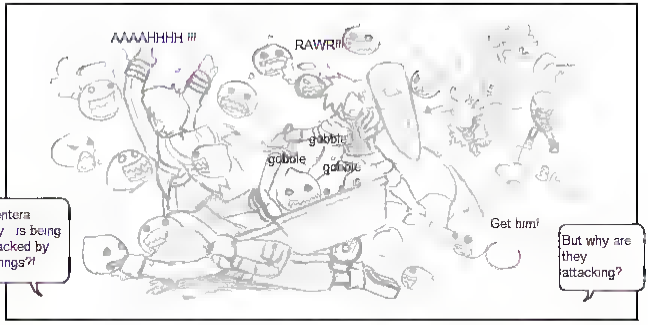
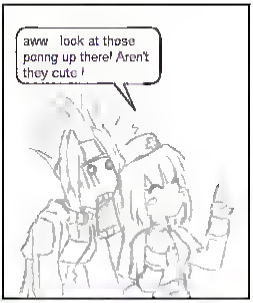
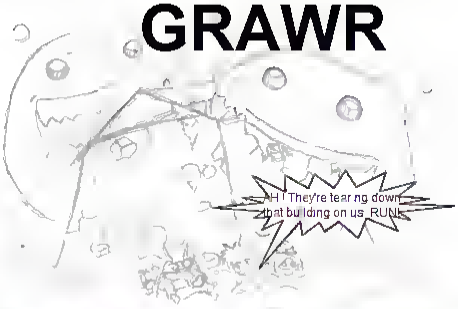
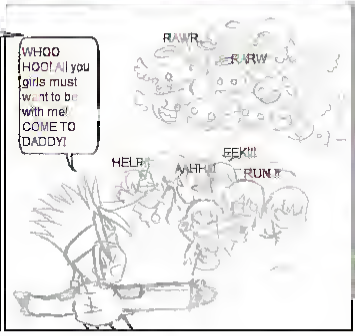
Monsters attacking Prontera City?
Yeah! I was there but I ran away! You won't believe what the monsters are!
Some monsters attacking Prontera eh! This could be interesting!
I have to tell Min!
DASH
HEY MIN! We're going to Prontera City! I heard some strange stuff's going on there and we gotta see it!
.RAGNAROK
CHAPTER 4
ATTACK IN PRONTERA
EH?!
OMG! Is that Min hanging around with two girls?! Since when did he get this lucky? Could it be that he have become a better man than me? But how?!
Hey Look everyone! Hokaru is back!
Hokaru! You came just in time! I want you to meet our newest member in our party!
sob
!
She's our new member?! We can't have her with us! She robbed you before, remember! We can't trust her!
What's this?
It's the money she stole from us. She gave it back to me so I think we can trust her now.
Huh? How did you make her give back our money? And why is she joining us?
I kind of... uh
He he
Min did something really incredible for me last night that no one has ever done for me before. Something I'll never forget!
So that's why you weren't around that night! You screwed around with this girl didn't you! You really do have some guts after all!
Wha?
DID NO SUCH THING!
Hah hah! You're just too embarrassed to admit it!

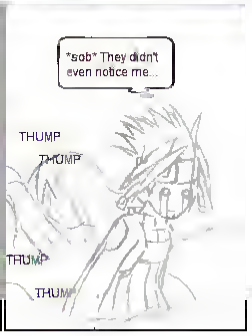


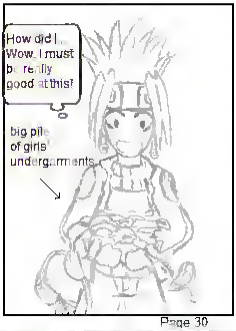


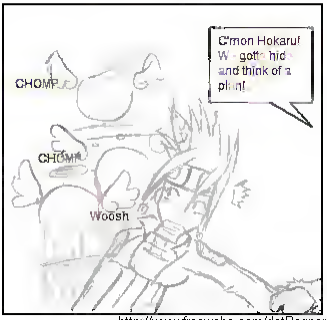






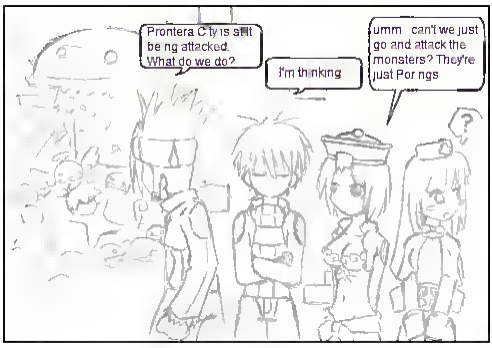






©2004 Minh Nguyen

http://www.freewebs.com/dotRagnarok

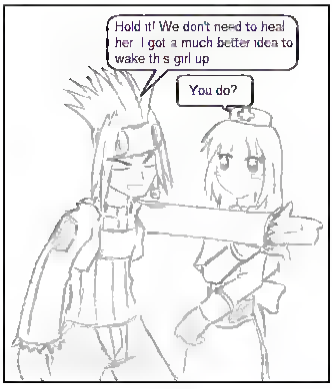


Prontera City is still being attacked. What do we do?
I'm thinking
umm... can't we just go and attack the monsters? They're just Porings
?

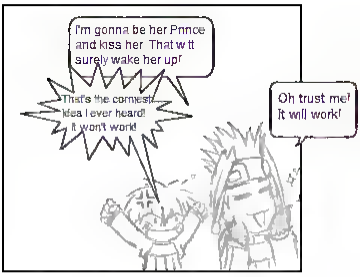
No! It's too dangerous! There are also Angelings and I don't think these are normal porings
And... Is it normal for someone to sleep on the ground?

!!

Is... is she dead?
Okay! I love to help!
I'm not sure Julie can you help her out with a heal?

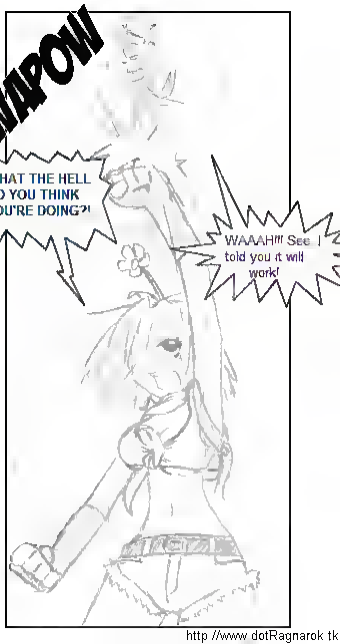


Hold it! We don't need to heal her. I got a much better idea to wake this girl up
You do?



I'm gonna be her Prince and kiss her. That will surely wake her up!
That's the cornest idea I ever heard! It won't work!
Oh trust me! It will work!

HEAL !!
"SMOOCH"



WHAPOW!
WHAT THE HELL DO YOU THINK YOU'RE DOING?!
WAAAH!!! See. I told you it will work!

Thanks alot for healing me! After being ambushed by alot of Angelings and Porings I thought I'll never get up! Is there anything I can do to repay you? By the way My name is Namiko!
Well you can help us find a way to defeat these monsters that are attacking Prontera! If you got a plan, tell us!
Oh! That's it? Hehe I already got a plan!
(In Ragnarok Online game usually when you kill the leader of a group of monsters the rest automatically dies I usually call it MvP or mini bosses)
Leader
Followers
Wow Namiko! That's so smart! You thought of a plan before Mm did!
In every army there is always a leader! All we have to do is kill their leader and the rest will follow! Simple plan!
H Hey! Why are you giving me that look? You think this is a stupid plan or something?!
You're that flower head Merchant girl who helped a stupid Ponng to loot me and Hokaru weren't you?
She use to be a Merchant but now she's a Blacksmith job class
Oh yeah! I knew you looked familiar I was hoping to see you again because there is only one thing I wanted to do to people like you!
STEAL !!
Got her shirt
YOU PERVERT!!!
WAAAH!!!

©2004 Minh Nguyen

http://www.freewebs.com/dotRagnarok

Could that be the leader? It does look a little different than the rest.
Okay then lets attack it !
I know what you're thinking. "what the hell kind of pormo is this?" -- It's a Devilin.
Wait! Let me handle this one! (it doesn't look too hard to kill)
You sure 'bout that?
HEY THERE LITTLE FELLA! I'm not here to hurt you or anything. I'm just here to ..
FFRRWR
RRRRAAAAWWWRRR!!!

AAAHHHH!!!
BOOM
I know that tricking you and Hokaru was wrong but now that I saved you we'll call it even!
I'm grateful that you saved me but if you wanted to get even, get even with Hokaru! Not me! He's the one with the Poring issues.
He's still alive?
HEAL!!
Now that I have destroyed the leader, the rest of the monsters dies just like I said! I bet I'll get a big reward for this!
I wouldn't be celebrating so quickly if I were you
RRRAAWWRRRR!!!
CRUMBLES
AAHHH!!!
W...WHA?! This can't be! I thought I
MIN! We're surrounded!
I thought I got their leader... maybe it wasn't the leader...
The situation just got alot worse hasn't it?
If Namiko didn't kill the real leader, then which Poring is it?
Aww What a cute little Poring!
What Po ?? Is that thing with the sunglasses and the hat the leader of this mob?
I call t Mobring
That's the freakiest looking Poring I've ever seen

Therefore I don't get alot of space to put up more comics so I'll be moving my site elsewhere I also need a couple of days to work on my moving
There! Put it over there!
Right here?

I also would like to say thank you to those who supported me on looking for a new website host. I really appreciate it.
